REQUEST UNDER 37 C.F.R. § 1.821(e)

Commissioner for Patents
Washington, D.C. 20231

Sir :

The above-identified patent application is a continuation of application No. 09/904,615, filed July 16, 2001, which is a continuation of application Serial No. 09/739,254, filed December 19, 2000, which is a continuation of application Serial No. 09/511,554, filed February 23, 2000. The sequence listing of the instant application is identical to the sequence content of the computer readable sequence listing filed in connection with application Serial No. 09/511,554, on February 23, 2000.

In accordance with 37 C.F.R. § 1.821(e), please use the computer readable form filed in connection with application Serial No. 09/511,554 as the computer readable form for the instant application. It is understood that the Patent and Trademark Office will make the necessary change in application number and filing date for the computer readable form that will be used for the instant application. A paper copy of the Sequence Listing is included in the specification of the instant application filed herewith. Applicants hereby certify that the paper copy of the Sequence Listing filed herewith and the computer readable sequence listing filed on February 23, 2000 in connection with application Serial No. 09/511,554 are the same and do not include new matter.

Date: JANUARY 25, 2002

Respectfully submitted
